Product specifications

Hose compatibility

1- and 2-wire braided
EN 853 1SN / SAE 100 R1AT/R2AT
Hose size: 1/4"-1"

Sleeve & assembly

Crimp sleeve
Non-skive assembly
For standard hose inserts
Customer must verify hose, insert and sleeve compatibility

General product information

Material: AISI 316L
EN 1.4404 / UNS S31603
HS code: 73079900
Country of origin: Norway

Technical info

Hose, insert and sleeve compatibility must be verified for the selected hose type and size. Use validated insertion depth, crimp diameter and tolerances. Assembly working pressure must not exceed the lowest component pressure rating, adjusted for temperature and service conditions.
